**Rollins, Inc. Revises Year Ended December 31, 2005 Results**

Atlanta, GA, March 3, 2006 -- Rollins, Inc., a premier North American consumer and commercial services company (NYSE: ROL), today announced revised earnings for its year ended December 31, 2005.

On February 15, 2006, the Company released its financial results announcing net income of \$54.3 million, or \$0.78 per diluted share, for the year ended December 31, 2005.

On February 17, 2006, subsequent to the Company's press release of its unaudited financial results, the Company learned that the 11<sup>th</sup> Circuit Court of Appeals had unexpectedly ruled against Orkin, Inc., its wholly owned subsidiary. The Court reinstated previously dismissed punitive damages in connection with the plaintiff Collier Black arbitration decision against the company in 2003. As a result, the Company's net income for the year ended December 31, 2005 has been revised to \$52.8 million, or \$0.76 per diluted share.

Accounting rules require that this judgment be reflected in the company's December 31, 2005 financial statements as the case was ongoing at year end.

Management stated that they strongly disagree with the 11<sup>th</sup> Circuit Court's ruling and are exploring all options to have the case further adjudicated.
