(a) Cash at Closing. At Closing, Purchaser or its Affiliates shall pay One Hundred Thirty Four Million Six Hundred Thousand Dollars (\$134,600,000) (which amount reflects an initial increase to the Purchase Price equal to \$5,100,000, based upon the calculation of the Estimated Net Asset Value by Purchaser and Sellers prior to the date hereof as described in Section 3.2(a) below), plus fifty percent (50%) of Sellers’ actual out-of-pocket costs for preparing the Audited Financial Statements as described in Section 6.4, minus fifty percent (50%) of the filing fees paid by Purchaser in connection with the HSR filings described in Section 6.7 (collectively, the Closing Payment”), to Sellers by wire transfer of immediately available funds to the account(s) designated in writing by Sellers no later than two (2) Business Days prior to the Closing Date.

Within one (1) Business Day after the resolution of a dispute as to any Disputed Amounts pursuant to the terms of the Escrow Agreement, the Escrow Agent shall release (A) to Purchaser the amount, if any, payable to the Purchaser in connection with such resolved Disputed Amounts and (B) to Sellers, the remaining balance of the Indemnity Escrow plus all accrued interest thereon, minus any remaining Disputed Amounts.

(a) In addition to the payment of the Purchase Price, as consideration for the sale, conveyance, assignment, delivery and transfer of the Purchased Assets, Purchaser shall assume the Assumed Liabilities.

3.2 Adjustment of Purchase Price.

(a) Estimated Net Asset Value. Prior to the date hereof, Sellers and Purchaser jointly prepared a calculation of the Estimated Net Asset Value by adjusting the unaudited, consolidated balance sheet of Shareholder as of February 29, 2008 that was provided to Purchaser by Sellers (the "February 2008 Balance Sheet") to (A) reflect the increase to the goodwill of the Business resulting from the acquisition of substantially all of the assets of Pest Management of Richmond, Inc., (B) remove reserves for claims and litigation that are to be retained by Sellers as contemplated by Section 2.3(b) above, (C) fully accrue, to the extent not already accrued, all amounts owed with respect to the Assumed Liabilities for the obligations to make outstanding payments, including contingent payments, pursuant to Contracts involving the purchase by any Seller of all or substantially all of the assets or capital stock of any other Person, (D) reflect substantive adjustments that have arisen as of the date hereof from the preparation of the Audited Financial Statements as contemplated by Section 6.4 (except no such adjustment shall be made with respect to recognition of termite renewal revenue), (E) reflect the historical fiscal year-end practices of Sellers, (F) remove accounts receivable that are to be retained by Sellers as contemplated by Section 2.2(n) above and (G) reflect the other substantive adjustments that were agreed to by the Parties prior to the date hereof (as adjusted, the "Pre-Closing Calculation"). The Pre-Closing Calculation is attached as Exhibit 3.2(a). Sellers represent and warrant that the February 2008 Balance Sheet was prepared from the books and records of Sellers in accordance with GAAP (subject to the absence of footnotes thereto and any other exceptions set forth in Schedule 4.7), applied consistently with the Balance Sheet. "Estimated Net Asset Value" means the estimated Net Asset Value of Sellers, as shown in the Pre-Closing Calculation, which the Parties agree to be \$92,000,000.

(b) Closing Balance Sheet.

(i) Delivery of the Closing Balance Sheet. Within ninety (90) days after the Closing Date, Purchaser, with the reasonable input, review and approval of Sellers, shall cause to be prepared and delivered to Sellers (i) an unaudited, consolidated balance sheet of Shareholder as of March 31, 2008 (the "Closing Balance Sheet"), and (ii) a calculation of the Net Asset Value prepared in a manner consistent with the Pre-Closing Calculation, which shall include adjustments for the items set forth in Items (A) - (G) in Section 3.2(a) above (without duplication for any such matters that are addressed in the Closing Balance Sheet) (the "Closing Calculation"). Purchaser represents and warrants that upon delivery to Sellers, the Closing Balance Sheet shall have been prepared from the books and records of Sellers and the Business in accordance with GAAP (subject to the absence of footnotes thereto), applied consistently with the Audited Financial Statements (subject to the historical fiscal year-end practices of Sellers).

(ii) Final Closing Balance Sheet. From the Closing Date through the date of the payment provided for in Section 3.2(d), Purchaser shall give Sellers reasonable access during normal business hours to the books and records, the accounting and other appropriate personnel and the independent accountants of the Business and Purchaser (including access to each of the specific items of information described in Exhibit 3.2(b)) in order to enable Sellers to review the Closing Balance Sheet and the Closing Calculation. Within ninety (90) days after the delivery of the Closing Balance Sheet and the Closing Calculation, Sellers shall have completed a review of the Closing Balance Sheet and the Closing Calculation. After such review, if Sellers and Purchaser reach agreement on the Closing Balance Sheet and the Closing Calculation, such balance sheet shall be the "Final Closing Balance Sheet" and such calculation of Net Asset Value shall be the "Final Closing Calculation." If however, Sellers and Purchaser are unable to reach agreement on the Closing Balance Sheet and the Closing Calculation within thirty (30) days after the end of such 90-day period, then the parties shall submit the items in dispute (but no other matters) to KPMG LLP, or such other "Big Four" public accounting firm as is mutually acceptable to the parties hereto (the "Accountants") for resolution. Such resolution by the Accountants shall be set forth in a written report ("Accountants Report"), setting forth its determination of all items in dispute, together with the resulting calculation of the Closing Net Asset Value and a reasonably detailed explanation of work performed by the Accountants, delivered by the Accountants to the parties hereto within thirty (30) days following the submission of such dispute to the Accountants, and the Closing Balance Sheet and the Closing Calculation as modified in accordance with the Accountants Report shall be the "Final Closing Balance Sheet" and the "Final Closing Calculation", respectively, and shall be final and binding upon the parties hereto, absent fraud or manifest error. The Net Asset Value of Sellers determined pursuant to the Final Closing Calculation shall be the "Closing Net Asset Value". The fees charged by the Accountants shall be paid 50% by Sellers and 50% by Purchaser or its Affiliates.

(c) For purposes hereof, "Net Asset Value" means, in respect of Sellers, on a consolidated basis, eliminating the effect of any transactions or arrangements between Sellers and/or any of their Affiliates other than trade accounts receivable owing from any Affiliates of Sellers, the book value of the Purchased Assets, as adjusted for amortization and depreciation, less the book value of the Assumed Liabilities. All calculations of "Net Asset Value" hereunder shall be made by excluding deferred income taxes and shall include all deferred charges that relate to the ongoing operations and that benefit Purchaser. For the avoidance of doubt, any adjustments proposed by E&Y for the preparation of the Audited Financial Statements solely in respect of the recognition of termite renewal revenue, whether or not accepted by Sellers, shall not be made in the preparation of the Pre-Closing Calculation or the Final Closing Calculation pursuant to this Section 3.2.

(d) Final Closing Net Asset Value Adjustment. In the event that the Closing Net Asset Value exceeds the Estimated Net Asset Value, then Purchaser shall pay Sellers cash in the amount of such excess. In the event that the Closing Net Asset Value is less than Estimated Net Asset Value, then Sellers shall pay Purchaser cash in the amount of such shortfall. All payments under this Section 3.2(d) shall be made within five (5) days following the date on which the Final Closing Balance Sheet and Final Closing Calculation are finally determined pursuant to Section 3.2(b)(ii) by either check (if requested by the receiving Party) or wire transfer of immediately available funds to such account as is specified by such Party at least two (2) Business Days prior to the due date for such payment. Any payment made pursuant to this Section 3.2(d) shall include an additional amount of simple interest at the rate of six percent (6%) per annum (based on a 365 day year) from the Closing Date through the date of such payment.

3.3 Allocation of Certain Items. With respect to certain expenses incurred with respect to the Purchased Assets in the operation of the Business, the following allocations shall be made between Purchaser and Sellers:

(a) Taxes. For all taxable periods that begin on or prior to the Effective Time, real, personal and ad valorem property Taxes and any similar Taxes imposed on a periodic basis (“Periodic Taxes”), with respect to the Purchased Assets or the Business, shall be apportioned between Sellers and Purchaser based upon the number of days in the taxable period prior to the Effective Time and in the taxable period beginning on and following the Effective Time, respectively, except that Periodic Taxes to the extent and in the amount accrued or reserved against on the Final Closing Balance Sheet shall be apportioned entirely to Purchaser.

(b) Utilities. Utilities, water and sewer charges shall be apportioned based upon the number of days occurring prior to the Effective Time and beginning on and following the Effective Time during the billing period for each such charge, except that such charges to the extent and in the amount accrued or reserved against on the Final Closing Balance Sheet shall be apportioned entirely to Purchaser.

3.4 Tax Matters.

(a) Filing of Tax Returns. With respect to any and all Taxes other than Periodic Taxes, (i) Sellers shall be solely responsible for and shall pay, without any cost to Purchaser, Taxes assessed against and payable by Sellers, arising from the operations of the Business or use of the Purchased Assets before the Closing Date (regardless of whether the filing of any Tax Return with respect thereto or payment of any amount in respect thereof is filed, paid or due prior to, on or after the Closing Date); and (ii) Purchaser shall be solely responsible for and shall pay, without any cost to Sellers, Taxes assessed against and payable by Purchaser, arising from the operations of the Business or use of the Purchased Assets after the Closing Date, and any other Taxes to the extent such Taxes are reflected on the Final Closing Balance Sheet.

(c) Employment Tax. Purchaser and Sellers agree that they will follow the standard procedure of Rev. Proc. 2004-53, 2004-2, C.B. 320, whereby each shall be solely responsible for employment tax reporting for employees who may be employed by each of them in the calendar year that includes the Closing Date. Notwithstanding anything in this Section 6.15 to the contrary, Sellers shall have no liability under this Section 6.15 with respect to (i) any Assumed Liabilities described in Sections 2.3(a)(v) or (ii) any Qualified Termite Contract after the customer thereunder makes a renewal payment to Purchaser, and the renewal period for which such payment was made has commenced. In addition, to the extent not inconsistent with this Section 6.15, the Parties agree that the provisions of Section 10.8 shall apply to any claims described in this Section 6.15 and references to indemnification, indemnified party and indemnifying party shall be deemed references to the reimbursement obligations in this Section 6.15, Purchaser and Sellers, respectively.

6.16 Access to Documents; Preservation of Books and Records.

(a) For a period of seven years from and after the Closing Date, (i) Purchaser shall not dispose of or destroy any of the material books and records of the Business relating to periods prior to the Closing ("Books and Records") without first offering to turn over possession thereof to Sellers, at Sellers' expense, by written notice to Sellers at least ninety (90) days prior to the proposed date of such disposition or destruction; (ii) Purchaser shall allow Sellers and their agents reasonable access to and to copy, for any proper purpose, including for making any tax or regulatory filing, all Books and Records, at Sellers' expense; provided, however, that Sellers shall use commercially reasonable efforts to see that any such access or copying shall be had or done in such a manner so as not to unduly interfere with the normal conduct of the businesses of Purchaser; and (iii) Purchaser shall make available to Sellers upon written request the personnel of Purchaser to assist Sellers in locating and obtaining any Books and Records. Notwithstanding the foregoing, (A) nothing herein shall require Purchaser to disclose any information to Sellers if such disclosure would jeopardize any attorney-client or other legal privilege available to Purchaser or contravene any applicable Law and (B) to the extent that any Books and Records or other information are withheld from Sellers pursuant to clause (A) above because disclosure thereof would jeopardize any attorney-client privilege or other legal privilege, Purchaser shall use its commercially reasonable efforts to make alternative arrangements to provide to Sellers any factual information contained in such Books and Records or other information in a manner that would not jeopardize any such privilege.

(b) For a period of seven years from and after the Closing Date, (i) Sellers and their Affiliates shall not dispose of or destroy any material books and records relating to the Business or the Purchased Assets for periods prior to the Closing (“Seller Books and Records”) without first offering to turn over possession thereof to Purchaser, at Purchaser’s expense, by written notice to Purchaser at least ninety (90) days prior to the proposed date of such disposition or destruction; (ii) Sellers and their Affiliates shall allow Purchaser and its agents reasonable access to and to copy, for any proper purpose, including for making any tax or regulatory filing, all Seller Books and Records, at Purchaser’s expense; provided, however, that Purchaser shall use commercially reasonable efforts to see that any such access or copying shall be had or done in such a manner so as not to unduly interfere with the normal conduct of Sellers’ and such Affiliate’s businesses; and (iii) Sellers and their Affiliates shall make available to Purchaser upon reasonable written request Sellers’ and its Affiliates’ personnel to assist Purchaser in locating and obtaining any Seller Books and Records. Notwithstanding the foregoing, (A) nothing herein shall require Sellers or their Affiliates to disclose any information to Purchaser if such disclosure would jeopardize any attorney-client or other legal privilege available to Sellers or their Affiliates or contravene any applicable Law and (B) to the extent that any Seller Books and Records or other information are withheld from Purchaser pursuant to clause (A) above because disclosure thereof would jeopardize any attorney-client privilege or other legal privilege, Sellers and their Affiliates shall use their commercially reasonable efforts to make alternative arrangements to provide to Purchaser any factual information contained in such Seller Books and Records or other information in a manner that would not jeopardize any such privilege.

(c) If one Party shall advise the other Party in writing that any legal proceeding or investigation is pending or threatened at the termination of the seven (7) year period referred to in this Section 6.16, then, at the election of the Party in possession of the relevant books and records, either (i) the seven (7) year period shall be extended until such legal proceeding or investigation has been settled through judgment or otherwise and/or is no longer pending or threatened or (ii) the Party that possesses such books and records shall turn such books and records over to the Party requesting the extension.

6.17 Litigation Support and Cooperation.

(a) If and for so long as a Party is actively contesting or defending against any claim or legal proceeding identified on Schedule 4.10 or arising in connection with (a) the transactions contemplated under this Agreement or (b) any fact, situation, circumstance, status, condition, activity, practice, plan, occurrence, event, incident, action, failure to act or transaction involving the Business or the Purchased Assets, in each case including any action that is the subject of Article 10 (other than a Direct Claim), the other Parties will cooperate with such Party and its counsel in the contest or defense (including, without limitation, assisting or participating in discovery activities including depositions, interrogatories or requests for production), make available the appropriate personnel of such Party and its Affiliates, and provide such testimony and access to its books and records and any documents or information relating to such claim or legal proceeding which are in the possession of such Party or can be obtained by such Party without undue cost or expense as promptly as possible and as shall be reasonably necessary in connection with the contest or defense. If requested, the other Parties shall use commercially reasonable efforts to make their independent accountants available for discussions regarding such matters discussed in the previous sentence. The Party requiring such support shall reimburse such other Parties for any reasonable out-of-pocket expenses incurred by such other Parties in complying with this Section 6.17 (unless the Party requiring such support is entitled to indemnification therefor under Article 10).

(b) With respect to a Direct Claim, any indemnified party who desires to assert a Direct Claim for indemnification pursuant to this Agreement shall, at the cost of the indemnifying party, (i) provide to the indemnifying Party all documents and information relating to such Direct Claim which are in the possession of the indemnified party or its Affiliates or can be obtained by the indemnified party without undue cost or expense as promptly as practicable and (ii) give the indemnifying party reasonable access to the accounting and other appropriate personnel and the independent accountants of the indemnified party and its Affiliates in order to permit the indemnifying party to obtain information reasonably required to evaluate such Direct Claim.

(c) Sellers shall consult with Purchaser with respect to the non-financial settlement of any non-financial matter arising out of any action, claim, suit or proceeding identified in Schedule 4.10 that would reasonably be expected to adversely affect the Business.

(d) If any Party is not satisfied with the level of cooperation and assistance being provided by any other Party pursuant to this Section 6.17, such party shall so notify the other Parties. If within ten (10) days after delivery of such notice the notifying Party is still not satisfied with the level of cooperation and assistance, then it shall so notify the other Parties. Within three (3) Business Days after the delivery of such second notice, the then-current President of Orkin, Inc. and the then-current Senior Vice President-Administration of Centex shall meet in person to work together in good faith to resolve the matter.

6.18 Use of Centex Marks. Purchaser acknowledges and agrees that it is not obtaining any rights or licenses with respect to the name “Centex” or any derivative thereof or associated logos or trade dress (the “Seller Marks”), and that Purchaser will not use any Seller Marks after the Closing Date in connection with the marketing or promotion of the Business.

6.19 Replacement of Letters of Credit and Bonds. Prior to the Closing, Purchaser shall cause letters of credit to be issued and delivered that will replace the letters of credit identified in Schedule 6.19. As soon as practicable following the Closing (but in no event later than thirty (30) days), Purchaser shall deliver bonds that will replace the bonds identified in Schedule 6.19. In addition, from and after the Closing Date, Purchaser shall (a) use its commercially reasonable efforts to cause Sellers to be fully, unconditionally and irrevocably released and discharged from each bond and letter of credit identified in Schedule 6.19 (the “Bond and LOC Obligations”), and (b) indemnify and hold harmless Sellers from and against all payments made or other Losses incurred by Sellers after the Effective Time under or in connection with any Bond and LOC Obligations which remain outstanding after the Effective Time, except as and to the extent the claim giving rise to such payments or Losses under such Bond and LOC Obligations arises out of or results from Excluded Liabilities. Until such time as each Bond and LOC Obligation has been fully, unconditionally and irrevocably released and discharged, Purchaser shall (i) not increase, renew or materially modify any outstanding Bond and LOC Obligation without Sellers’ prior written consent and (ii) comply with all terms and conditions included in or relating to any outstanding Bond and LOC Obligation. In addition, Purchaser acknowledges that neither Sellers, nor any of their Affiliates, will be obligated to renew any of the Bond and LOC Obligations. Sellers may terminate any Bond and LOC Obligation to the extent permitted by (or not prohibited by) the Governmental Entity which is the bond or letter of credit beneficiary.

6.20 Reimbursements. The Parties covenant and agree that with respect to each Assigned Contract pursuant to which a third party claim is made regarding a failure to pay or a payment dispute of a third party otherwise arises, which claim or dispute is in excess of \$10,000 and arose out of actions, events or omissions prior to the Effective Time, Purchaser shall promptly give Sellers notice and a copy of such claim. Within twenty (20) days of receipt of such notice (which period shall toll during any period in which the Purchaser is in breach of Section 6.17), Sellers shall either (i) direct Purchaser in writing to pay the amount claimed, in which event Sellers shall promptly reimburse Purchaser for the full amount so paid, (ii) notify Purchaser in writing that Sellers have elected to defend such claim, in which event Sellers will be liable for all amounts owed with respect to such claim, or (iii) direct Purchaser in writing to use its commercially reasonable efforts to defend such claim (including comply with the terms and conditions of Section 10.8), in which event Sellers shall reimburse Purchaser, when billed, for its reasonable out-of-pocket costs of defending such claim and shall promptly reimburse Purchaser for the full amount, if any, paid to the claimant upon resolution of such claim. In the event Sellers fail to respond in writing within such twenty (20) day period (which period shall toll during any period in which the Purchaser is in breach of Section 6.17), Sellers shall be deemed to have directed Purchaser to pay the amount claimed, and will promptly reimburse Purchaser for the full amount so paid. In addition, to the extent not inconsistent with this Section 6.20, the Parties agree that the provisions of Section 10.8 shall apply to any claims described in this Section 6.20 and references to indemnification, indemnified party and indemnifying party shall be deemed references to the reimbursement obligations in this Section 6.20, Purchaser and Sellers, respectively.

6.21 Taexx® Matters. The Parties agree to comply with the covenants, terms and conditions set forth in Schedule 6.21.

6.22 Post-Effective Time Matters. Sellers shall cause the nightly collection by (or on behalf of) Centex of funds in the lock boxes and bank accounts included in the Purchased Assets to cease effective as of the Effective Time. Purchaser shall reimburse Sellers for all costs and expenses incurred by Sellers or any of their Affiliates in connection with the operation of the Business from the Effective Time through the Closing (without duplication of any amounts paid by Purchaser to Sellers pursuant to the Transition Services Agreement, Facility Operating Agreement or Employee Leasing Agreement). Promptly after the Closing, Sellers shall prepare and deliver to Purchaser an invoice for such costs and expenses, which shall specify in reasonable detail all such costs and expenses. All amounts reflected in the invoice shall be due and payable 30 calendar days following receipt by Purchaser of the invoice. Any amount not paid on or before the date such amount is due shall bear interest from and after such date until paid in full at a rate equal to 8.00% per annum. Unless otherwise mutually agreed by the Parties, all payments shall be made by wire transfer of immediately available funds in U.S. Dollars.

(v) except with respect to Environmental Claims and claims which are the subject of Schedule 6.21, Sellers' pro rata portion of those liabilities and obligations (other than Assumed Liabilities) arising out of or resulting from any casualty, damage, event or condition in respect of the Purchased Assets or the Business first existing or occurring prior to the Effective Time and that continue through and after the Effective Time, which pro rata portion shall be calculated based upon the number of days prior to the Effective Time on which such casualty, damage, event or condition existed and continued, divided by the total number of days on which such casualty, damage, event or condition existed and continued (collectively, with all other indemnification obligations of Sellers contained in this Section 10.1, the "Section 10.1 Indemnified Claims").

(b) Solely for the purposes of the indemnification obligations of Sellers pursuant to Article 10, in order to determine whether a breach of any representation or warranty of Sellers has occurred, all Materiality Qualifications contained in any such representation or warranty shall be disregarded; provided, however, that there shall not be disregarded any Materiality Qualifications which are included in Section 4.7 or Section 4.9(a) or solely to the extent such Materiality Qualification modifies the identification on a schedule of a list of material Permits in Section 4.11(b).

10.2 Indemnification by Purchaser.

(a) Subject to Section 10.6, Purchaser shall indemnify Sellers and their respective Affiliates, and their respective employees, officers, directors, successors and assigns (collectively, "Seller Indemnitees") and agree to reimburse and hold them harmless from and against all Losses incurred or suffered by any of them and arising out of or resulting from any of the following:

10.3 Provisions Regarding Indemnification.

(a) The indemnified party (or parties) shall promptly notify the indemnifying party (or parties) of any third-party claim, demand, action or proceeding for which indemnification will or may be sought under Sections 10.1 or 10.2 (a “Third Party Claim”), but in no event later than ten (10) Business Days after receiving notice of such Third Party Claim; provided, however, that the failure to so notify the indemnifying party will not relieve the indemnifying party from liability hereunder in respect of such claim except to the extent the indemnifying party is prejudiced as a result of such failure, including where failure results in losses to the indemnifying party or the forfeiture of substantive rights or defenses that would otherwise be available in the defense of such claim. Such notice shall specify facts reasonably known to the indemnified party (or parties) giving rise to such indemnity rights. The indemnifying party will have the right, at its expense, to assume the defense thereof using counsel reasonably acceptable to the indemnified party. If the indemnifying party elects not to assume the defense or fails to notify the indemnified party, within ten (10) Business Days after delivery of the indemnified party’s notice of such Third Party Claim (which period shall toll during any period in which the indemnified party is in breach of Section 6.17 in respect of such claim), that it will assume the defense, then the indemnified party may employ counsel reasonably satisfactory to the indemnifying party to represent or defend it against any such Third Party Claim and the indemnifying party will pay the reasonable fees and disbursements of such counsel; provided, however, that the indemnifying party shall not, in connection with any legal proceeding or any separate but substantially similar legal proceedings arising out of the same general allegations, be liable for the fees and expenses of more than one separate firm of attorneys at any time for all indemnified persons, except to the extent that local counsel, in addition to its regular counsel, is required in order to effectively defend against such legal proceeding. If the indemnifying party does assume the defense of such Third Party Claim, the indemnifying party shall have no obligation in respect of the indemnified party’s expenses; provided, that the indemnified party shall have the right to participate in, at its own expense, but not control, the defense of any such Third Party Claim. In connection with any Third Party Claim, the Parties shall cooperate with each other in good faith, in such manner to preserve in full (to the extent possible) the confidentiality of all business records and the attorney-client, work-product and any other potentially applicable privileges and to render each other assistance as they may reasonably require. No Third Party Claim shall be settled (i) without the prior written consent of the indemnifying party and (ii) without the prior written consent of the indemnified party unless such settlement provides for no relief other than the payment of monetary damages for which the relevant indemnified parties will be indemnified in full; provided, however, that if a firm, written offer is made to settle any Third Party Claim and the indemnifying party proposes to accept such settlement and the indemnified party refuses to consent to such settlement, then: (i) the indemnifying party shall be excused from, and the indemnified party shall be solely responsible for, all further defense of such Third Party Claim; and (ii) the maximum liability of the indemnifying party relating to such Third Party Claim shall be the amount of the proposed settlement if the amount thereafter recovered from the indemnified party on such Third Party Claim is greater than the amount of the proposed settlement.

(b) To the extent a dispute exists between the indemnified party (or parties) and the applicable indemnifying party (or parties), with respect to a claim for which indemnification will or may be sought under Sections 10.1 or 10.2 (but excluding Third Party Claims) (a “Direct Claim”), the indemnified party shall give written notice (“Direct Claim Notice”) to the indemnifying party. Such notice shall specify the facts reasonably known to the indemnified party (or parties) giving rise to such indemnity rights. If the indemnifying party, within thirty (30) days after the delivery of the Direct Claim Notice by such indemnified party, shall not give written notice to such indemnified party announcing such indemnifying party’s intent to contest such assertion by the indemnified party, such assertion shall be deemed accepted and the amount of such claim shall be deemed a valid claim and the indemnifying party shall promptly pay (except as provided in Section 10.5, and subject to the limitations of Section 10.6) the amount of such claim to the indemnified party. If the indemnifying party, within thirty (30) days after the delivery of the Direct Claim Notice by such indemnified party, shall give notice that it contests such assertion by the indemnified party, such dispute shall be resolved in accordance with this Agreement.

10.4 Survival. The representations and warranties contained in this Agreement and in the Seller Ancillary Documents and the Purchaser Ancillary Documents shall survive for a period of (18) months following the Closing Date, and shall thereafter cease to be of any force and effect and there will thereafter be no liability for indemnity with respect to breaches of such representations and warranties, except for (a) claims as to which notice has been given in accordance with Section 10.3 hereof prior to such date and which are pending on such date, (b) claims based upon representations and warranties set forth in Section 4.1 (Due Organization, Good Standing and Corporate Power), Section 4.2 (Authorization; Enforceability), Section 5.1 (Due Organization, Good Standing and Corporate Power) and Section 5.2 (Authorization; Enforceability), which shall survive without limitation, (c) claims based upon representations and warranties set forth in Section 4.13 (Tax Returns; Taxes), which shall survive until the expiration of the applicable statute of limitations, and (d) claims based upon representations and warranties set forth in Section 4.17 (Environmental, Health and Safety Matters), which shall survive for a period of four (4) years following the Closing Date. Neither such survival nor the liability of any Party with respect to the Party’s representations and warranties shall be reduced by any investigation made at any time by or on behalf of any Party. All indemnification obligations of any Party herein shall expressly survive the Closing.

10.5 Set-Off. Except with respect to amounts owed by Sellers under Section 3.2(d), if any, for which Purchaser shall have no obligation (and Sellers shall have no right) to set-off such amounts against the Indemnity Escrow, all amounts otherwise payable by Sellers to any of the Purchaser Indemnitees for any Section 10.1 Indemnified Claims shall be satisfied first by set-off against the Indemnity Escrow, in accordance with the Indemnity Escrow Agreement, and second, to the extent all amounts then remaining in the Indemnity Escrow have been exhausted (either through distribution or pending claims) or released to Sellers, by Sellers, subject to the limitations provided in Section 10.6 hereof. Subject to Section 10.7, the Indemnity Escrow and the right of set-off shall not be exclusive of any other right or remedy any of the Purchaser Indemnitees may have with respect to Section 10.1 Indemnified Claims, whether under this Agreement, the Centex Guaranty, at law or in equity.

10.6 Limitations on Liability. Notwithstanding any other provisions of this Agreement or any of the Seller Ancillary Documents or Purchaser Ancillary Documents to the contrary:

(a) Notwithstanding anything in this Article 10 to the contrary (but subject to Section 10.6(b)), no Seller shall have any liability under this Article 10 or obligation to provide indemnification for any Losses asserted by any Purchaser Indemnitee under Section 10.1(a)(ii), under Section 10.1(a)(i) in respect of a Pre-Closing Covenant or under Section 10.1(a)(iii), (iv) or (v) with respect to Direct Claims (each a "Covered Claim", and collectively, the "Covered Claims") until the aggregate amount of Losses arising out of such Covered Claims equals or exceeds an amount equal to One Million Dollars (\$1,000,000) (the "Liability Threshold"), and then only to the extent such Losses exceed an amount equal to Seven Hundred Fifty Thousand Dollars (\$750,000) (the "Deductible"); provided, however, that claims based upon actual fraud shall not be subject to such Liability Threshold and Deductible. Once the Liability Threshold is exceeded, (i) the Environmental Threshold shall cease to apply for purposes of Section 10.6(b) and (ii) no Seller shall have any liability under this Article 10 or obligation to provide indemnification for any Losses arising from a specific breach giving rise to a Covered Claim until such Losses arising from such specific breach equals or exceeds \$10,000, in which case Sellers shall be liable under this Article 10 for the full amount of Losses arising from the applicable breach giving rise to the Covered Claim.

(b) With respect to Environmental Claims, no Seller shall have any liability under this Article 10 or obligation to provide indemnification for any Losses asserted by any Purchaser Indemnitee under Section 10.1(a)(ii) or under Section 10.1(a)(iii) or (iv) with respect to Direct Claims (each an "Environmental Covered Claim", and collectively, the "Environmental Covered Claims") until the aggregate amount of such Environmental Covered Claims equals or exceeds an amount equal to Five Hundred Thousand Dollars (\$500,000) (the "Environmental Threshold"), and then only to the extent such Losses exceed the Environmental Threshold. The amount of all Losses credited against the Environmental Threshold pursuant to this Section 10.6(b) up to, but not exceeding, the Environmental Threshold will also be credited against the Liability Threshold for purposes of Section 10.6(a).

(c) Except for any liabilities resulting from actual fraud or from claims for indemnification pursuant to Section 10.1(a)(ii) based upon representations and warranties set forth in Section 4.13 (Tax Returns; Taxes), Sellers' aggregate liability for Losses asserted by any Purchaser Indemnitees for any Covered Claims shall not exceed Twelve Million Dollars (\$12,000,000) (the "Maximum Amount"); provided, that the Maximum Amount shall be reduced in accordance with paragraph (c) of Schedule 6.21.

(d) All amounts paid by or on behalf of Sellers as indemnification shall be treated as adjustments to the Purchase Price, except as required by applicable law.

(e) Notwithstanding anything in this Article 10 to the contrary, Purchaser shall not have any liability under this Article 10 or obligation to provide indemnification for any Losses asserted by any Seller Indemnitees under Section 10.2(a)(ii) or under Section 10.2(a)(iii) with respect to Direct Claims (each a "Purchaser Covered Claim", and collectively, the "Purchaser Covered Claims") unless and until the aggregate amount of such Losses arising out of such Purchaser Covered Claims equals or exceeds an amount equal to the Liability Threshold, and then only to the extent such Losses exceed the Deductible; provided, however, that claims based upon actual fraud shall not be subject to such Liability Threshold. Once the Liability Threshold is exceeded with respect to Losses incurred by Seller Indemnitees, Purchaser shall have no liability under this Article 10 or obligation to provide indemnification for any Losses arising from a specific breach giving rise to a Purchaser Covered Claim until such Losses arising from such specific breach equals or exceeds \$10,000, in which case Purchaser shall be liable under this Article 10 for the full amount of Losses arising from the applicable breach giving rise to the Purchaser Covered Claim.

(f) Except for any liabilities resulting from actual fraud, Purchaser's aggregate liability for Losses asserted by any Seller Indemnitees for any Purchaser Covered Claims shall not exceed the amount of the Purchase Price paid to Sellers in accordance with the terms of this Agreement.

(g) Notwithstanding anything to the contrary contained in this Article 10, amounts that can be shown to be (i) accrued or reserved against on the Final Closing Balance Sheet with respect to certain events or conditions, and that were thereby taken into account in determining the Final Closing Calculation or (ii) otherwise included in the Final Closing Calculation to reduce the purchase price pursuant to Section 3.2, shall not be included in any Losses claimed by any Purchaser Indemnitee with respect to such events or condition to the extent and in the amount so accrued, reserved or otherwise taken into account in the Final Closing Calculation.

(h) The Parties shall be entitled to pursue without limitation any rights or remedies they may have with respect to claims based upon actual fraud, whether under this Agreement, at law or in equity.

(i) In no event shall any Party be liable for special, punitive, exemplary, incidental, consequential or indirect damages, lost profits, diminution in value, damage to reputation or loss to goodwill, whether based in contract, tort, strict liability or otherwise, except to the extent awarded in Third-Party Claims.

(j) Notwithstanding anything in this Article 10 to the contrary, Sellers shall have no liability under this Article 10 or obligation to provide indemnification for any Losses asserted by any Purchaser Indemnitee which are the subject of Section 6.15, 6.20 or 6.21 (except that the remedies provided in Section 10.1(a)(i) shall be available to the extent that Sellers breach their obligations under Section 6.15, 6.20 or 6.21).

10.7 Exclusive Remedy. Unless otherwise prohibited by applicable Law (pursuant to statutory or other provisions that cannot be waived by the parties), from and after the Closing, the provisions contained herein with respect to the final determination and payment of the Purchase Price (including the provisions of Section 3.1 and 3.2) and the provisions this Article 10 shall provide the sole and exclusive remedies of the parties for all matters covered or contemplated by this Agreement; provided, however, that nothing herein shall limit the right of any party to seek specific performance or injunctive relief in connection with a breach by another party of its obligations under this Agreement that occurs after the Closing Date.

10.8 Mitigation; Insurance. In the case of any Third Party Claims that would reasonably be expected to give rise to a right of indemnification under Article 10, if there is a reasonable likelihood that such indemnified party may have a direct or indirect right of recovery against one or more third parties (including rights of recovery under insurance policies or indemnification arrangements with subcontractors or other third parties), (i) the indemnified party shall promptly notify the indemnifying party of such right of recovery, (ii) the indemnified party shall pursue enforcement of such right of recovery for so long as the pursuit thereof is commercially reasonable, with the determination of whether the pursuit of litigation is commercially reasonable to be in the sole discretion of the indemnified party, (iii) the indemnifying party shall cooperate with the indemnified party in connection with the enforcement of such right of recovery as contemplated by clause (ii) above. To the extent that an indemnified party obtains recovery in respect of any such Third Party Claims from any third parties, the amount of any losses with respect to any Third Party Claim for which indemnification is available under this Article 10 shall be reduced by the amount of such insurance proceeds or other such funds realized or paid to the indemnified party, net of any applicable deductible or self-insurance retention and all reasonable fees, costs and expenses incurred by such indemnified party in obtaining such recovery. If, after the making of any payment in respect of a Third Party Claim under this Article 10, the amount of the losses to which such payment relates is reduced by recovery, settlement or otherwise under any insurance coverage, or pursuant to any claim, recovery, settlement or payment by or against any other Person, the amount of such reduction will promptly be repaid by the indemnified party to the indemnifying party, net of all reasonable fees and expenses incurred by such party in obtaining such recovery. Each indemnified party shall take commercially reasonable steps to mitigate its losses upon and after becoming aware of any event which would reasonably be expected to give rise to any losses.

11.2 Schedules and Exhibits. The Schedules and Exhibits to this Agreement are hereby incorporated into this Agreement and are hereby made a part of this Agreement as if set out in full in this Agreement. For purposes of the representations and warranties of each party contained herein, disclosure in any of the Schedules delivered by such party of any facts or circumstances shall not be deemed to be adequate disclosure of such facts or circumstances with respect to any other representations or warranties made by such party, unless (i) such disclosure is specifically identified or purports to respond to (whether by specific cross-reference or otherwise) one or more of such other representations and warranties or (ii) with respect to any specific item of the relevant Schedule, a reasonable person would be reasonably likely to conclude that a matter disclosed on such item of such Schedule is responsive to matters to be disclosed on another item of such Schedule. Any information provided in a Schedule is solely for informational purposes, and the inclusion of such information shall not be deemed to enlarge or enhance any of the representations or warranties of the party providing the Schedule pursuant to this Agreement, or otherwise alter in any way the terms of this Agreement. The inclusion of any information in any of the Schedules or other documents delivered by the parties pursuant to this Agreement shall not be deemed to be an admission or evidence of the materiality of such item, nor shall it establish a standard of materiality for any purpose whatsoever.

11.3 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction will, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Agreement, and any such prohibition or unenforceability in any jurisdiction will not invalidate or render unenforceable such provision in any other jurisdiction. To the extent permitted by Law, each Party hereby waives any provision of Law that renders any such provision prohibited or unenforceable in any respect.

11.4 Modification and Waiver. This Agreement may not be amended, modified or supplemented except by written agreement of the Parties. Any agreement on the part of a Party to any extension or waiver of any provision of this Agreement shall be valid only if set forth in an instrument in writing signed on behalf of such Party. A waiver by a Party of the performance of any covenant, agreement, obligation, condition, representation or warranty shall not be construed as a waiver of any other covenant, agreement, obligation, condition, representation or warranty. A waiver by any Party of the performance of any act will not constitute a waiver of the performance of any other act or an identical act required to be performed at a later time.

11.5 Assignment; Successors in Interest. No assignment or transfer by any Party of such Party's rights and obligations under this Agreement will be made except with the prior written consent of the other Parties to this Agreement; provided that Purchaser shall, without the obligation to obtain the prior written consent of any other Party to this Agreement, be entitled to assign this Agreement or all or any part of its rights or obligations hereunder to one or more Affiliates of Purchaser. The terms and conditions hereof shall survive the Closing and shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns, and any reference to a Party shall also be a reference to the successors and permitted assigns thereof.

11.6 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument, with the same effect as if the signatures thereto were in the same instrument. Signature pages exchanged by telefax or other electronic means shall be fully binding. This Agreement shall be effective and binding on all of the Parties when all Parties have executed and delivered a counterpart of this Agreement.

11.7 Captions. The titles, captions and table of contents contained in this Agreement are inserted in this Agreement only as a matter of convenience and for reference and in no way define, limit, extend or describe the scope of this Agreement or the intent of any provision of this Agreement.

11.8 No Third Party Beneficiaries. Nothing expressed or implied in this Agreement is intended, or shall be construed, to confer upon or give any Person other than the Parties, and their successors or permitted assigns, and the indemnified parties (with respect to the provisions of Article 10), any right, remedy, obligation or liability under or by reason of this Agreement, or result in such Person being deemed a third party beneficiary of this Agreement.

11.9 Entire Agreement. This Agreement, together with the Schedules and Exhibits attached hereto, the Confidentiality Agreement, the Seller Ancillary Documents, the Purchaser Ancillary Documents, the Centex Guaranty and the Rollins Guaranty constitute the entire agreement and supersede any and all other prior agreements and undertakings, both written and oral, among the parties, or any of them, with respect to the subject matter hereof, including the Letter of Intent except to the extent specifically set forth therein.

11.10 Cooperation Following the Closing. Following the Closing, each Party shall deliver to the other Parties such further information and documents and shall execute and deliver to the other Parties such further instruments and agreements as any other Party shall reasonably request to consummate or confirm the transactions provided for in this Agreement, to accomplish the purpose of this Agreement or to assure to any other Party the benefits of this Agreement.

11.11 Governing Law. The interpretation and construction of this Agreement, and all matters relating hereto, shall be governed by the laws of the State of Delaware applicable to agreements executed and to be performed solely within such State.

11.12 Dispute Resolution. Notwithstanding any provision of this Agreement to the contrary, with the exception of disputes, controversies or claims which are specifically prescribed to be resolved in accordance with the procedures set forth in Section 3.2(b), or where the remedy sought is specific performance or injunctive relief as described in Section 11.13 below, all disputes, controversies or claims arising out of or relating to this Agreement and the transactions contemplated hereby shall be resolved by agreement among the Parties, or, if not so resolved, by binding arbitration. Any Party may submit a dispute, controversy or claim to arbitration by giving written notice to such effect, which notice shall describe, in reasonable detail, the facts and legal grounds forming the basis for the filing Party's request for relief. If written notice of desire to arbitrate is given by any of the Parties as provided above and the matter is not then otherwise resolved by the Parties within forty-five (45) days after notice of the dispute is given by one Party to the Parties, the Parties shall resort to arbitration in accordance with Title 9 of the United States Code (the United States Arbitration Act) and the Commercial Arbitration Rules, all as amended from time to time (the "Rules") of the American Arbitration Association and the provisions of this Section; provided, however, that the provisions of this Section shall prevail in the event of any conflict with such Rules. The Parties agree that they shall use their best efforts to cause the matter to be presented to a panel of three arbitrators (at least one of whom shall have at least ten years of industry experience relating to the subject matter of the dispute) within thirty (30) days after the establishment of such panel. Such panel shall consist of one arbitrator selected by Purchaser, one arbitrator selected by Sellers, and a third arbitrator selected by the two arbitrators so selected, who shall act as chairman of the panel; provided, that each arbitrator shall be independent. Discovery shall be limited to requests for admission and the request for and production of documents, depositions and interrogatories, which discovery shall be conducted in accordance with the Federal Rules of Civil Procedure. Pending the arbitration hearing, any provisional remedy that would be available to a party from a court of law shall be available from the arbitration panel. The decision of a majority of the arbitration panel with respect to the matters referred to them pursuant hereto shall be final and binding upon the Parties, subject to any rights of appeal under the Rules, and confirmation and enforcement thereof may be rendered thereon by any court having jurisdiction upon application of any person who is a party to the arbitration proceeding. The costs and expenses incurred in the course of such arbitration, including reasonable attorneys' fees, shall be borne by the Party or Parties against whose favor the decisions and conclusions of the arbitration panel are rendered; provided, however, that if the arbitration panel determines that its decisions are not rendered wholly against the favor of one Party or Parties or the other, the arbitration panel shall be authorized to apportion such costs and expenses in the manner that it deems fair and just in light of the merits of the dispute and its resolution. The arbitration panel shall have no power or authority under this Agreement or otherwise to award or provide for the award of punitive damages against any Party and the Parties agree to eliminate punitive damages as a remedy, and waive any and all claims for punitive damages based on punitive conduct. Any arbitration shall be conducted in Dallas, Texas.

11.13 Specific Performance. Each of the parties hereto acknowledge and agree that the other parties hereto may be irreparably damaged if any of the provisions of this Agreement are not performed in accordance with their specific terms or were otherwise breached, and that such other parties may not be adequately compensated in all cases by monetary damages alone. Accordingly, in addition to any other right or remedy to which any party hereto may be entitled, at law or in equity, it shall be entitled to seek to enforce any provision of this Agreement by a decree of specific performance and to seek temporary, preliminary and permanent injunctive relief to prevent breaches or threatened breaches of any of the provisions of this Agreement, without posting any bond or other undertaking.

[signatures follow on next pages]

IN WITNESS WHEREOF, the Parties have caused this Agreement to be duly executed, as of the date first above written.

**ROLLINS AGREES TO PURCHASE
HOMETEAM PEST DEFENSE FROM CENTEX**

ATLANTA/DALLAS, MARCH 31, 2008—Rollins, Inc. (NYSE: ROL) has entered into a definitive purchase agreement with subsidiaries of Centex Corporation (NYSE: CTX) to acquire, through the purchase of assets, its pest control business, HomeTeam Pest Defense. The purchase price will be paid in cash and is expected to be approximately \$137 million. The closing of the transaction is expected in early April, subject to the satisfaction of customary conditions.

Rollins plans to operate HomeTeam separately, along with its other wholly owned pest management subsidiaries: Orkin, PCO Services, Western Pest Services and The Industrial Fumigant Company.

HomeTeam has 50 offices in 13 states and is the nation's third largest residential pest management company and performs services for approximately 400,000 customers coast to coast. Founded in 1996, the company works with over 1,000 builder partners and currently performs more than 1 million pest control services a year. HomeTeam has emerged as a leader in pest management based heavily on its innovation of Taexx[®], HomeTeam's built-in pest defense system installed in tens of thousands of new homes each year.

"We are most pleased to have entered into this agreement with Centex, said Gary Rollins, president and chief executive officer of Rollins, Inc. "This acquisition provides significant opportunity for Rollins to leverage HomeTeam's proprietary technology and new home marketing expertise to more markets throughout the U.S. The purchase of HomeTeam will provide us with an entry into a new business channel, and provide our company a meaningful opportunity for longer term growth. HomeTeam has built a valuable business enterprise and a loyal customer base, which speaks well for their commitment to service. We look forward to working with HomeTeam's president, Bob Wanzer, and his great team of professionals. Rollins will benefit from their talent and experience."

"This transaction is good for HomeTeam and good for Centex," said Timothy R. Eller, chairman and chief executive officer of Centex. "HomeTeam is now aligned with one of the premier pest management companies in North America and has access to additional markets for growth. This transaction is good for Centex because it further sharpens our focus on our primary business of homebuilding and generates cash that can be applied to homebuilding initiatives."
