</TABLE>
The first quarter provided sales improvement in all areas and reflected the impact of the Company's expansion and marketing strategies. Operating profits for the quarter continue to be impacted by investments in the core businesses. The benefits of these investments will contribute to growth in the customer base and recurring revenues, while enhancing long-term shareholder value.

Revenues for the first quarter ended March 31, 1997 increased 5.5\% or \$7.9 million, to $\$ 150.4$ million from the prior year period. Operating income decreased $\$ 3.4$ million to $\$ 9.1$ million for the quarter, while net income decreased $19.5 \%$ to $\$ 5.1$ million. Earnings per share were 15 cents for the quarter versus 18 cents for the same period last year.

For the quarter, Orkin's operating income decreased $26.7 \%$ to $\$ 8.3$ million on a $6.3 \%$ revenue increase to $\$ 132.3$ million. Operating margins were $6.3 \%$ compared to $9.1 \%$ in the prior year. Rollins Protective Services' (RPS) operating income decreased $33.0 \%$ to $\$ 0.9$ million on a revenue increase of $\$ 0.5$ million or $3.2 \%$ to $\$ 15.8$ million. RPS' operating margins were $5.4 \%$ compared to 8.4\% last year. Detail segment information follows.

Orkin 1997 Versus 1996

Orkin realized an increase in both recurring pest control revenue and termite revenue. The decrease in operating income was the result of the significant business investments initiated in 1996 including market expansion and growth related programs as well as increased insurance costs and termite claims. Orkin completed three acquisitions, including two in Hawaii, which established its presence in the Pacific market.

6 of 10
Rollins Protective Services (RPS) 1997 Versus 1996

During the first quarter, RPS's revenues increased while operating income decreased. Operating income was impacted primarily by sales and market development expenses as well as the cost associated with acquisitions made in 1996 and those made in the current year.

RPS increased its recurring revenues and customer base through five acquisitions in the first quarter. RPS also made further progress in their strategic partnering arrangements in the new home and cable television industries.

Other 1997 Versus 1996
Other businesses' revenue decreased $16.8 \%$ due to a lower average receivables portfolio within the consumer finance company, Rollins Acceptance Company (RAC). The volume of financed purchases was $18.2 \%$ less for the quarter compared to the first quarter last year. The unfavorable revenue results were offset by lower expenses in RAC for an increase in operating income.
